

TROPA TOUR

RIO DE JANEIRO-BRAZIL

We invite you to embark on a unique and transformative journey in the heart of Rio de Janeiro, where tourism can be reimaged as a rich experience of learning, connection, and regeneration. Over 10 days, you will have the opportunity to immerse yourself in the vibrant culture of Lapa, one of Rio de Janeiro's most iconic neighborhoods, while contributing directly to the environmental, social, and economic revitalization of the area.

What Will You Experience?

- Workshops on Ancestral gardening and participating at AfroBrazilian rituals with Quilombo Sao Jose community;
 - Urban revitalization project Feira do Pantera;
 - Social impact activities;
 - Samba schools;
 - Visit Samba Schools and Samba classes
 - Language exchange with Tropa Kids

This project has been designed to transform tourism into a regenerative force, creating a positive impact on both visitors and the local community while promoting practices that help preserve our planet. Our aim is to create an experience that strengthens the bonds between tourists and residents, while supporting the preservation of our environment.

Join us on this journey of discovery and transformation, and experience Rio de Janeiro in a new and regenerative way!
